

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **People of MI v Gordon Scott Dittmer**
Docket No. **267259**
L.C. No. **99-006442-FC**

William C. Whitbeck, Chief Judge, acting under MCR 7.201(B)(3) and 7.216(A)(10), orders:

The delayed application for leave to appeal and motion to remand are DISMISSED for failure to pursue the case in conformity with this Court's order of January 27, 2006, that required appellant to file an application that did not exceed 50 pages. The purpose of the letter of March 7, 2006, was as a courtesy to defendant to give him an opportunity to file an application for leave to appeal that did not exceed 50 pages. It was not intended and did not give the defendant a second and belated opportunity to seek to file an application for leave to appeal exceeding 50 pages. That motion is not properly before the Court and shall not be accepted by the Clerk of the Court. Dismissal is without prejudice to whatever other relief may be available consistent with the Court Rules.
